Race Three Summary

Nice weather and close racing....the perfect day at the track!! We had 27 entries. In the kid kart class Casey Bambino took the overall win for the day followed closely by Daytona and Mikkel. Caleb Hudson ran away with first in Jr. I by winning all three heat races. Louis Palmatier was able to shake the dust off and grab second place for the day in Jr. I followed closely by Alex Bambino. Nicole's win streak in Jr. II was finally broken (however she was right on Taylor's rear bumper until the checkered flag waved). Taylor won two heat races and took home the overall win for the day. Sadie had a great day winning the second heat race and taking 3rd for the day. Burt Gasaway won all three heat races in World Formula to extend his streak to nine straight. Evan Zeutschel took the overall win in the TAG class, however, it did not come easy as there was a lot of close racing all day. Justin Walsh took home the win for the day in the 125 shifter class with Greg Ressa and Jason Miller coming out of retirement to push the young driver all day.

Family BBQ & Races (July 18th & 19th)

Our next race day is the family BBQ race weekend (next weekend). We'll have races on both Saturday and Sunday along with a BBQ on Saturday after the races. The supermoto bikes will be racing along side us on Sunday and practicing on Saturday. The weather forecast for the weekend currently looks great. This is the perfect opportunity to bring friends and family to let them enjoy a day at the track.

Volunteers

In order to keep costs down, we rely on all of our members to volunteer for various roles throughout the year. If you, a family member or friend would like to volunteer, please contact Randy Wilson at 990-4550. Each race day we are in need of the following volunteer positions:

- Registration
- Timing and scoring
- Turn workers (at least 2 must be on the track before each race can start).

There is a small fee paid to volunteers for each race day and your pit pass fee is waived.
