May2009

Race One Summary

The weather was great for the first day of racing and so was the racing!! We had 23 participants and 25 entries. Race one marked the first day of competitive racing in the Kid Kart class. Casey Bambino took first place for the day; however, it was close racing as Daytona Arnzen and Mikkell Devone battled her to the end in each heat race. Casey won the first two heat races and Daytona won the last heat race. We had a great turnout in Junior I and Junior II. Nicole Behar won all three heat races in Jr II and ran away from the field. Sadie Thompson and Karter Krasselt were left to battle for second place. Alex Bambino took first place in Jr I. The Sr. World Formula class welcomed Burt Gasaway back; however, he quickly reminded everyone why he has won multiple National championships as he easily walked away from the field in all three heat races to take the overall win for the day. Evan Zeuschel took the overall win in the TAG class (his first day of racing in the 2-cycle class) and Tim Davison won the overall for the 125 shifter class.

Our next points race is Saturday May 9th and our promo race is scheduled for Saturday June 6th. The promo race is a great opportunity to introduce friends and family to Kart racing (who are not currently racing). We encourage everyone to bring friends and family and let them take a Kart for a drive.

Volunteers Needed!!

All racers want to have fun on race day.....and what makes that day fun? Competition, camaraderie, a lack of mechanical failures or accidents and **volunteers!** Volunteers are what make your race day go smoothly and allows you to have more fun. This year we are especially short on volunteers. We are in need of the following volunteer positions:

- Registration
- Timing and scoring
- Turn workers (at least 2 must be on the track before each race can start).

To ensure the race day runs smoothly, we must have all of these positions for **each** race. If you have a family member or friend that can help on race day please contact Randy Wilson. Any assistance would be greatly appreciated to ensure you have a great season and the cost of racing is kept down! There is a small fee paid to volunteers for each race day and your pit pass fee is waived.
