## **Rule Changes** - *The following rule changes have been proposed.*

**Current Rule:** Any person desiring to protest another competitors' engine may file \$50.00 with the race director along with a written protest. That driver named in the protest will have his or her engine checked to determine legality. \$30.00 is forfeited to the protested driver if the engine is found to be legal, and \$20.00 will be paid to the engine tech person. If the engine is found to be illegal the protesting driver will retain \$30.00 and \$20.00 will be paid to the engine tech person. Protest must be filed within thirty minutes of the completion of their class's last race.

**Proposed Rule:** Any person desiring to protest another competitors' engine may file \$200 in cash with the race director along with a written protest. The driver named in the protest will have his or her engine checked by the SKRA tech inspector to determine legality. The tech inspector will receive \$50 for completing the inspection. If the engine is found to be legal, \$150 will be forfeited to the protested driver. If the engine is found to be illegal the protesting driver will receive a \$150 refund. A protest must be filed within thirty minutes of the completion of their class's last race.

**Current Rule:** A five minute time in utilizing transponders will be used for qualifying. If the transponder system is not working, classes will time in to determine starting position based upon the following. There will be one warm up lap and one time in lap. All competitors in a class must time in with their class. The sequence of class time trials shall be published at the drivers' meeting. If a mechanical failure occurs while on warm up or timed lap, racer shall be allowed to correct the failure, wait a minimum of ten minutes (tire cool down time) on the grid before being allowed a second opportunity to time in. Failure to time in with your class (excluding the mechanical failure) shall result in the placement at the back of the pack for the 1<sup>st</sup> heat. The sequence of class time trials shall be published at the drivers' meeting. Failure to time in with your class shall result in the placement at the back of the pack for the 1<sup>st</sup> heat. All karts are required to have a working transponder. In cases where a working transponder fails during a race, scorers will make all reasonable attempts to score the kart/karts manually.
